Dear Sir or Madam,

My name is Pat, and I am a graduate of the Business Analysis and Applied A.I. Solutions Development program at George Brown College. I am a motivated and results-driven professional seeking an opportunity to excel in a dynamic and innovative company. I am confident that my knowledge, ability, and experience enable me to deliver successful results in a variety of analyst positions.

Please allow me to highlight my key skills:

- Detail-oriented and result-oriented
- Strong teamwork skills
- Well-organized with good time management skills
- Able to prioritize tasks effectively
- Knowledge of software development project life cycle with 6 years of industry experience
- Skilled in problem-solving and critical thinking
- Proficient in querying databases
- Proficient in coding R and Python
- Project management skills
- Strong computer skills with proficiency in MS Office
- Quick and accurate learner and applier of new information

I am convinced that I can be an asset in any position requiring analytical skills, enthusiasm and reliability and I look forward to hearing from you in the near future.

Thank you for your time and consideration. Please review further information about my skills and qualifications in my resume, and feel free to contact me at (437)-259-5539 or at pat.nichapatb@gmail.com.

Respectfully yours,

Nichapat (Pat) Boonprasertsri
